**FDIC
MULTIFAMILY AFFORDABLE HOUSING
COMPLIANCE REPORT**

The Compliance Report includes two parts. Part A is a summary of tenant information and provides a picture of how the property is meeting its affordable housing set-aside requirements. Part B is a unit-by-unit listing of the project's occupancy and rent structure.

During the Pre-Compliance period the Compliance Report is submitted monthly. Once a development achieves compliance with the Total and Very Low-Income Set-Asides specified in the LURA, reports are submitted annually. Agencies may require more frequent submission of reports as indicated in the compliance manual.

Attach copies of all Tenant Income Certifications (TICs) executed during the period of this report. Please include initial certifications as well as recertifications.

**Part A - Compliance Report
Summary**

The Compliance Report Summary provides a snapshot picture of a project's occupancy and the extent to which the required set-asides have been met. The summary must reflect the same time period and the occupancy circumstances detailed in Part B - Unit Status Report.
