This is an agreement between The Affordable Housing Group, Inc. ("AHG") and the affordable housing property Owner to facilitate compliance with reporting requirements established through existing laws, regulations, and AHG policy.

The agreement authorizes the Owner to file Compliance Reports by means of electronic transmission for the duration of this Agreement and as specified by AHG procedure.

The agreement must be signed by the Owner. The term "Compliance Report" is defined to include supplements, amendments, revisions, and/or modifications of current reporting formats developed for the purpose of electronic submission and/or to meet ongoing compliance program and AHG reporting requirements.

The signature of the Owner on this Agreement is deemed to appear on all electronically filed compliance reports as if actually so appearing, including, without limitation, all forms filed electronically by any property management employee or any other independent, third party contractor. The Owner's electronic submission of compliance reports must be in the manner prescribed by AHG.

This agreement is effective as of the latest date specified below and remains effective until terminated by written notification from either party. However, if there is a transfer of ownership, the new Owner must request electronic filing of compliance reports, designate an administrator of accounts and obtain AHG authorization through the approval process.

This agreement may be amended at any time by the execution of a written addendum to this agreement by the Owner and The Affordable Housing Group, Inc.
